FOREWORD.

1. The new arrangement of the Minutes this year is to conform to the request of Dr. Joseph B. Hingeley, secretary of the General Conference, that the same order in printing be observed throughout the connection, this being the arrangement suggested.

MEMOIRS.

ELIZA PAULL UREN. Some obituaries record the lives and deaths of our great saints or our great scholars or our great toilers. This is a brief notice of Columbia River Conference's great sufferer, Mrs. John Uren, who died November 11, 1909. She was born in South Australia, in the year 1846, being 63 years of age at the time of her departure. Early in life she yielded her heart and will to the service of Christ and remained to the close a faithful, consistent disciple of the Master. At 22 years of age, on August 8, 1868, in the District of Daly, South Australia, she was united in marriage to Rev. John Uren, a local Wesleyan preacher, whose loyal helpmeet she remained until he preceded her to the eternal home between seven and eight years ago.

Twenty-four years ago she entered upon the duties of pastor's wife but soon became a helpless invalid, as a result of inflammatory rheumatism, for more than twenty years being confined to the invalid chair or the bed.

Henry Brown spoke to the memory of Miss Geneva Fertig, daughter of T. H. Fertig, and Mrs. Veva T. Lausch, daughter of M. R. Brown. U. F. Hawk, J. C. Harvey, and Frank H. Winter spoke to the memory of the infant children of Thomas Hart, George R. Moorhead and E. V. Bronson,

SANFORD LUTHER BURRILL was born in Pittsfield, Mass., June 9, 1843; died October 6, 1909, in North Yakima. At the age of 21 he entered as a private in Company C, Regiment 146, Illinois Volunteer Infantry, and was honorably discharged July 11, 1865. It was about this time that he was converted and joined the Methodist Episcopal Church. He entered the Rock River Seminary at the age of 22, graduating therefrom in 1869, being the honored valedictarian of the class which consisted of himself, Helen A. Knight, who later became his wife, and O. L. Fisher. While teaching near Urbana, Ill., Bro. Burrill was united in marriage with Miss Martha Anna Stewart, and soon after entered Garrett Biblical Institute, graduating therefrom in 1872. In September of this year he entered the Northwest Iowa Conference. In 1875 he was transferred to Walla Walla, Washington Territory, arriving at his appointment in January, 1876.

Bro. Burrill was a charter member of the Columbia River Conference. In December, 1881, his wife died, leaving him with six children, all of whom survive him. In 1887 he was married to Miss Lizzie Cadwalleder. In a little more than a year she died. In 1895 Bro. Burrill again entered the active work. He was married June 21, 1896, to Miss Helen Knight, the schoolmate of his boyhood days. Together they served the Prosser charge, where they built a church and the Toppenish

work, where they built a parsonage, leaving both charges free of debt. He found it necessary to retire from the active work of the ministry, locating at North Yakima, where he lived until his death.

ELLEN TAYLOR was born in Clarke County, Missouri, on the 16th day of February, 1859. At Toronto, Woodson County, Kansas, on the 20th day of April, 1876, she became the wife of L. N. B. Anderson, continuing his true companion and blessed helpmeet for more than a third of a century.

She was converted at a camp meeting on the "Old Coyville Circuit," within the bounds of the South Kansas Conference, in the month of August, 1880. That experience remained with her ripening and deepening until her departure.

She was the mother of five children, three of whom preceded her to the "Better Country."

Her exceptional and beautiful devotion to her family and loyalty to her Lord and His Church were most impressive. Her home life was ideal, but at the call of her children it was temporarily broken up and Brother Anderson went out alone to his appointments, while she went with the children to Salem, Oregon, that they might have the benefits of "Old Willamette." They endured five years of this separation, ever dreaming of the day when she would see her children the finished product of a Christian school and again take her place at her husband's side, upholding his hands and multiplying his usefulness "an hundred fold" as a Christian minister. She had entered into the fullness of her dream but a few months when God called her home.

As queen of the parsonage, and general Church worker, she was especially strong. Her largest success was among the little children, she having made this department a special study the last twenty years of her life. She also excelled as a singer, and was a member of the Moscow choir for twelve years, a member of the Boise First Church choir two years, and a member of the First Church, Salem (Oregon), choir three years. In the latter years of her life she gave largely of her energies to the Missionary societies conducted by the women, and also excelled in Junior League work. She departed this life at the Deaconess Hospital, Spokane, on the 10th day of January, 1910, in the full possession of all her faculties and with a faith in God and triumph over death, that was truly sublime.

Former Members.

The compilation of the historical data published herewith has been fraught with great difficulty because of the absence from the files of the Minutes of 1874, 1875, 1876, 1881 and 1882. Extensive correspondence with old-time members of the Conference has failed to discover copies of these Minutes. Likewise advertising for same in the Pacific Christian Advocate. It is feared that they are hopelessly lost. If anyone can give a clue to their recovery, please correspond with the Secretary. Many have aided in the Secretary's task of preparing these records, but special mention should be made of R. H. Hughes, of the Pacific Christian Advocate, and S. G. Ayres, Librarian of Drew Theological Seminary, who have furnished information from papers in their charge. Send bits of information to the Secretary as they occur to you. Everything helps.

CLARENCE O. KIMBALL, Secretary.

ORGANIZATION

RULES OF ORDER

I. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services, under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.

The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the districts and charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop presiding. They shall nominate the Standing Committees, and cause the list to be published in the PACIFIC CHRISTIAN ADVOCATE at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the session. He shall also be authorized to make provision by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for admission into full connection, or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. There shall be a meeting of the Statistical Secretaries with the Conference Treasurer at 8 o'clock on Saturday morning, for the purpose of comparing the money reported in the statistical tables.

XXII. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XXIII. The Stewards are authorized to raise annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their undrawn dues to the Book Concern, until it shall be paid [illegible]

XXIV. It shall require two-thirds of those present and voting to change or suspend any of these rules.

Appointments.

I

LIST OF APPOINTMENTS.

The names of undergraduates are printed in **Black Face**, the names of supplies are enclosed in (Parenthesis). The figures in the first column indicate the number of the charge, those in the second column show the amount of missionary money apportioned to the charge, and the figures in the third column give the year of service in the charge entered upon by the pastor appointed. For P. O. addresses see Conference roll. All charges in Washington, unless otherwise indicated.

A copy of this Official Journal, with these Appointments, is deposited with the Clergy Ticket Bureau in Chicago, and the applicant may refer to his number and page without sending other evidence.

Since every superannuated Preacher is held in honor as Pastor Emeritus of every Charge he ever served, in his enforced retirement he is to be given the place of honored precedence. By law, as a retired soldier of the Cross, he has a seat and vote in the Quarterly Conference of his residence, and the whole Church plans his comfortable pension as

Homan and Zellers, Thomas Nicholson and all others whose inspiring addresses have contributed to the inspiration and enjoyment of the Conference; that we express our gratitude to the secretaries and treasurer of the Conference for their efficient and painstaking service in their respective offices; that we extend special thanks to Clarence O. Kimball for his energy and skill in collecting historical material and improving the Conference Minutes; and be it further

Resolved, That we are grateful for the return of our beloved Resident Bishop Charles W. Smith to the presidency of our Conference for another year. We appreciate his fair, candid and brotherly spirit, the courteous, dignified manner in which he has presided over our deliberations, the careful, painstaking manner in which he has supervised the work in the interim between the Conference sessions. We have been edified by his wise counsel and inspired by his lofty example. We shall heartily welcome his return to this Conference for another year.

B. E. KOONTZ.

DISTRICT SUPERINTENDENTS

Resolved, That we request the bishop not to appoint any man to the superintendency of a district in this Conference who has served six years as a district superintendent unless he has served four years or more in the pastorate in the interim. Carried.

IDAHO ANTI-SALOON LEAGUE

Whereas, The Columbia River Conference of the Methodist Episcopal Church represents a large percent of the voters in Northern Idaho; and

Whereas, Sixteen of the 23 counties of Idaho have outlawed the saloons, making 300,000 of the 350,000 inhabitants of that state who live in "dry" territory;

Be it resolved, That the constituency of our church be urged to co-operate with the Anti-Saloon League of Idaho to secure statewide prohibition at the next session of the legislature;

Resolved, further, That a copy of these resolutions be transmitted to the legisalture of Idaho at its next session. Carried.

READING OF BIBLE IN PUBLIC SCHOOLS

Whereas, The principles upon which the Republic is founded are Christian; and

Whereas, A vital relation exists between the perpetuity of the state and the moral teachings of the Sacred Scriptures; and

Whereas, There was incorporated in the Constitution of the State of Washington a section which, in its practical application, has excluded the Bible from the public schools of the state; and

Whereas, The attitude of the ministry on this vital question has been misunderstood in some quarters; therefore be it

Resolved, By the members of the Columbia River Conference, that we go on record as earnesly favoring such amendment to the state constitution as will permit the reading of the Bible, without comment, at least, in the public schools of the state. Carried.

COUNTY OPTION.

On motion of Robert Brumblay the following communication was directed to be sent through the proper channels to the president of the Senate, and to the speaker of the House, General Assembly of Washington. The bishop and secretary were requested to affix their signatures:

Spokane, Washington, Sept 3, 1910.

To the President of the Senate, and to the Speaker of the House of Representatives, Olympia, Wash.:

The Columbia River Conference of the Methodist Episcopal Church, representing a membership of over twelve thousand in the commonwealth of Washington, and a congregational constituency of thirty thousand in the same territory, in the interest of public morals urges your honorable body to pass, during the approaching session, a local option law in which the county shall be the unit.

ENDOWMENT FUND

Resolved, That an apportionment of an amount equal to 1½ per cent of the pastor's salary be made on our several charges for our conference claimants' endowment fund and that the collection for this purpose be taken early in the year and the money forwarded to the corresponding secretary of our association, to be used in buildings and improvements on certain of our lots in Spokane. Tabled.

TEMPERANCE.

Whereas, The church and the un-American saloon are, from the very nature of these institutions, in uncompromising hostility to each other, and that as one flourishes the other must wither; and,

Whereas, The most important campaign ever inaugurated against the liquor traffic in the states of Idaho, Oregon and Washington will be projected during the coming year; therefore, be it

Resolved, That we commend the practical, progressive and energetic activities of the Anti-Saloon League in these respective states and that we pledge these same leagues our unqualified support and our fullest counsel.

Appreciating the work of the Rev. William J. Herwig in this field, we recommend that he be appointed to the position of State Superintendent of the Anti-Saloon League of Idaho.

We recommend that Rev. E. M. Hill and Rev. Robert Brumblay represent the Conference on the Board of Trustees of the Anti-Saloon League of Washington, and that D. J. Wyatt of Lewiston and Rev. B. E. Koontz represent the Conference on the Board of Trustees of the Anti-Saloon League of Idaho.

That we heartily approve the appointment of Rev. Clarence True Wilson, D. D., as field secretary of the conference society of our church and promise him our loyal support and cheerful cooperation.

HAZEN OAKS.

Reports.

Sunday Schools.

Whereas, The Sunday School has always been one of the greatest factors in bringing about the kingdom of God on earth; and,

Whereas, Through this channel thousands are saved who would otherwise be lost to Christ and the church; and,

Whereas, The General Conference of our church has recognized the great importance of more aggressive work in this particular branch of the church, by the establishing of a general Sunday School board and the appointment of a general secretary. Your committee therefore beg

First—To call attention to the disciplinary requirements in regard to rally day; financial support of our board of Sunday Schools; temperance reform; decision day; and monthly missionary day.

Second—We recommend that all our schools adopt as soon as possible the graded system of lessons, or as much as is practical to the individual school; and further that all our schools install the new Sunday School hymnal that is now being published by our book concern, and thus elevate the standard of Sunday School music.

Third—Knowing the great difficulties that lie in knowing how and what to do, we recommend that a prominent place be given to the Sunday School work in our ministerial associations.

Fourth—We would call attention to the adult Bible class movement and urge all our schools to a hearty cooperation.

Fifth—Recognizing the value of the work wrought by our field secretaries in the past, in establishing schools where it would otherwise have been impossible, we recommend the continuance of such field agent for another year.

H. E. GREENING, Chairman.

Education.

It is with no small degree of pride that we, as Methodists, again call attention to the subject of education; because our church has not only been raised up to spread Scriptual holiness througnout these lands but also to produce educated, cultivated, and loyal citizens of our country and of the Kingdom of our Christ.

Our church has been doing a great work for the cause of education in all lands and among all peoples. Every state, city, village and hamlet of our great nation has felt either directly or indirectly the life-giving touch of our schoos, or seen more clearly the path of duty by some ray of light that has emanated from these halls of learning.

We heartily endorse the work of the Board of Education and pledge our loyal support.

We are profoundly thankful for the introduction of a course of Bible study in our colleges. We believe that our schools are specially ffualified to impart that knowledge.

We are gratified at the growing prosperity of the Willamette University, the University of Puget Sound and the Kimball School of Theology. We rejoice in the increasing interest that is being taken in these schools of which we may justly be proud; but we feel that they ought to have a much larger place in the thought and hearts of our people. We must maintain our local schools because the future of Methodism in this section must be closely related to their future.

We, therefore, again recommend that an amount equal to 15 cents per member be apportioned to the various charges of our Conference, and that it be distributed as follows: Twenty per cent to the Kimball School of Theology and the balance equally divided between the other institutions; and that all money raised for education, except when otherwise designated, shall be divided as above.

We recommend that Friday night of our next Conference be set aside for Christian education.

WILLAMETTE UNIVERSITY

We are pleased to recognize the increased efficiency of Willamette University, which for sixty years has been in the front rank of educational activity on the Pacific coast.

We learn with pleasure that over 4,000 volumes have been added to the library the past year, that the scientific laboratories have been enlarged, modernized and better equipped, that the faculty has been strengthened and compares favorably with any on the Pacific coast; that Eaton Hall has added charm and influence, as well as great utility to Old Willamette.

We also rejoice that there has been an increase of over 60 per cent in students in the College of Liberal Arts and over 30 per cent increase in general throughout the university.

We recognize with gratitude the great liberality of Hon. R. A. Booth of Eugene, Ore., in offering $100,000 to Willamette University and pledge our earnest co-operation in securing this gift for Christian education.

We will encourage our young people to attend our Methodist institutions and we shall ever pray for their great success.

We nominate M. H. Marvin as trustee.

UNIVERSITY OF PUGET SOUND

Last year was, in many respects, the most successful in the history of the University of Puget Sound. While there was a slight decrease in some departments owing to certain changes in the faculty organization, nevertheless there was an increase of 47 per cent in the College of Liberal Arts. The year's enrollment was 470.

During the spring and summer the institution has been reorganized. The faculty has been increased over 25 per cent. The finances of the institution are in a more satisfactory condition than last year, with

over 900 volumes added to the library and $1,000 worth of equipment added to the scientific laboratories.

We recommend as Conference visitors the pastors at North Yakima, Ellensburg and Wenatchee.

We nominate as trustee for three years Dr. A. A. Luce.

KIMBALL COLLEGE OF THEOLOGY

This institution was created to supply a great need of Methodism in the Pacific Northwest. Its aim is to furnish facilities for the training of divinely called men for the ministry of our church. Its teaching in method and spirit is loyal to the genius and doctrines of our great church.

It held its first commencement last June, on which occasion eleven students were graduated, four of whom received the degree of B. D. The faculty is increased for next year by the addition of E. S. Hammond, who took his B. A. from Ohio Wesleyan, B. D. from the School of Theology of Boston University, Ph. D. from Illinois Wesleyan.

A large number of young men have expressed the desire to enter the Junior class of "10."

The productive endowment has been increased $7,500 during the past year.

We commend this school to the generous patronage of the churches of adjacent Conferences, and advise our young men who intend to enter the ministry to seek in this institution their equipment for their holy work.

We nominate S. Heath for trustee, and Walton Skipworth and M. H. Marvin as visitors from this Conference.

M. H. MARVIN,
Chairman.

H. F. PEMBERTON,
Secretary.

Conference Deaconess Board.

PROPERTY

Deaconess Home and Hospital

The Deaconess Home, on Fourth avenue, between Wall and Post streets, is the gift of Mrs. Minnie Beard O'Neill. It is held by warranty deed, without the disciplinary trust clause and with several reversionary clauses. The local board has tried many times and in many ways to get a satisfactory deed, but without avail.

The next 150 feet were purchased from Mr. O'Neill, and are held by warranty deed containing the disciplinary trust clause.

That part of the site next to Post street was given to the association by the late Miss Esther C. Finley with the understanding that it should be used as a site for a Deaconess Rest Home. The local board has decided to use this property as a part of the hospital site and to make good Miss Finley's donation otherwise. This property is all free from incumbrance.

Old People's Home

The Deaconess Old People's Home site consists of six lots at the

corner of South avenue and Crestline street. This property is held by warranty deed, containing trust clause, and is free from incumbrance. A new site, consisting of half a block, has been purchased at the corner of Seventeenth avenue and Crestline street. This site cost $7500, and is held by contract, on which a good payment has been made.

Deaconess Rest Home

The Deaconess Rest Home stands at the corner of Sinto avenue and Madison street. It was purchased by the local board to protect Miss Finley's gift. It cost $5000, and is held by a contract, on which $350 has been paid.

MANAGEMENT

The Home and Hospital are under the superintendency of Miss Myrtle Berkey. The treasurer's report shows that on June 1, 1910, the date that marks the close of their fiscal year, the Hospital fund had $1434.09 on hand. Current expenses amounted to $45,858.82. Also the Hospital had paid the interest on the Koontz annuity, amounting to $350, and had paid $845 into the sinking fund. From the sinking fund is paid the interest on the indebtedness against the Rest Home and money for repairs on same. Thus it appears that the Hospital has not only paid its own expenses, but has helped bear the burden for the Rest Home. When we remember that but few Methodist hospitals are self sustaining, we are assured that our own hospital is well superintended.

The Old People's Home is superintended by Miss Mary A. Curnick. The report of the treasurer shows that this institution, unaided by the sinking fund, has paid its own expenses, has expended $520 on improvements and comes to the end of the fiscal year with $9.41 in hand.

Miss Clara A. Brown has been in charge of the Rest Home. The current expenses of the Home have been met by rentals and from services rendered by Miss Brown as deaconess of St. Paul's church. The treasurer's report shows that the current expense fund for the Rest Home had $117 to its credit June 1.

Miss Brown has also had charge of the "Spokane Deaconess," the periodical that comes to us monthly, bringing so much of sunshine and encouragement. The paper cost $456 last year. The advertising and subscriptions paid back $421. The balance of $35 was paid from the sinking fund.

From these considerations we conclude that the deaconess institutions of our city have been splendidly superintended throughout the year.

OUR RECOMMENDATIONS

I. That, because of the peculiarities in our title to the Deaconess Home, enough money be expended on improvements to prevent the reverting of the property, and no more.

II. That we approve the plan of the local board to change the location of the Old People's Home. The present building is entirely inadequate. Several additions have been made already, and more are impossible. Neither are the grounds extensive enough to permit the

erection of a more commodious building. The location is unfortunate. The new site is beautifully situated and much larger. The old property should sell for enough to finish paying for the new site. However, we are of the opinion that the local board should have taken up this matter with the Conference Board before making the transaction, according to Paragraph 216 of the Discipline.

III. That an agent be appointed by the local board to solicit funds for a new building for the Old People's Home. Also that a hospital field agent be continued.

IV. That the gift of the late Miss Esther C. Finley be protected. This fiift was made in order that there might be a deaconess rest home in Spokane. If we expect other persons to make donations or bequests to this work in Spokane, we must protect those already made. Furthermore, it is right, and right wrongs no man. If the Hospital wants the site Miss Finley gave to the Association, the Hospital should see that the present Home, or some other be paid for. At present there is an indebtedness against the Rest Home of $4650. This should be placed against the Hospital. The Rest Home should be paid for. This would mean not an increase of indebtedness, but a transfer of the same.

V. That Miss Clara A. Brown be well cared for. For years Miss Brown was the efficient superintendent of the Hospital. She has taken a very active part in all of the various departments of our work. Her business sagacity has been one of the greatest assets of the local board. While her mental faculties are as active as ever, and her judgment as reliable, her physical condition is much impaired. For the past year she has been not only the superintendent of the Rest Home, but some of the time its sole occupant. She has rented the rooms and has had to care for the same. She has been compelled, day after ray, to sit down to her meals alone. When she was feeble, there was no one to ease her burdens or minister to her needs. As a church we cannot afford to care for a faithful steward so poorly. A good sensible woman should be engaged to live with her and be a companion. This woman could care for the Home and, even though Miss Brown were away for a time, keep the rooms rented and the house in repair.

RENEWAL OF LICENSES

We hereby certify that we have renewed the licenses of the following deaconesses, according to the recommendations of their respective quarterly conferences: Clara A. Brown, Mary A. Curnick, Myrtle Berkey, Minnie Baker, Nellie Randle, Dollie LaDuke, Mary Stevenson, Amelia Clark, Ella Harris, Bertha Randle, Margaret Snyder, Mrs. Jennie Shetler, Elizabeth Black and Stella Alexander.

Also, we have granted licenses to Fannie Wattam, Carrie Giles, Ruth Graham and Alma Swanson and recommended them for consecration.

Mrs. Mary J. Comstock Chase is granted an honorable discharge.

CONFIRMATION

We also certify that we have confirmed the assignment of deaconesses made by the local board.

Books and Periodicals.

We desire to commend our Book Concern for their large display of well selected books, especially the imported books of Great Britain's best scholars and writers. We are gratified at the increased business of the Book Concern and urge upon all to patronize the branch office at San Francisco.

We welcome the publication of a Sunday School hymnal by our Sunday School Board and bespeak for it a hearty reception. We are pleased at the marked success of the graded Sunday School courses. We believe they embody the best modern educational principles applicable to religious training.

The continued success of the Pacific Christian Advocate is a source of gratification to all. We appreciate the Advocate's editorial ability and wise financial management. We believe the Pacific Christian Advocate to be the greatest single factor for righteousness and the upbuilding of Christ's kingdom in the Pacific Northwest. We urge an immediate canvass for subscriptions on every charge.

JOSEPH O. JOHNSON.

Conference Board of Home Missions and Church Extension.

The board appointed by the Conference met September 9, 1909, and organized by electing J. H. Bower, president; Rev. Andrew Monroe, vice president; Rev. E. M. Hill, treasurer, and John Sarginson, secretary.

Regular meetings have been held during the conference year.

Drafts have been received amounting to $10,533 for missionary appointments.

Eight donations have been received for churches, amounting to $1900.

Two donations have been received for parsonages, amounting to $250.

Eight donations (Memorial) have been received for churches, amounting to $2000.

Three donations have been granted and await fulfillment of conditions by church trustees, amounting to $800.

Five donations have been received from the contingent fund, amounting to $350.

Three donations, amounting to $525, have been received for city work.

Nine applications have been considered and recommended to the connectional board, at Philadelphia, for consideration, amounting to $3000.

Copies of the Minutes of the board meeting will be filed with the Conference secretary and the connectional board.

JOHN SARGINSON,
Secretary.

Epworth League

The Epworth League still offers the pastor his most direct and extensive contact with the young people and an unsurpassed opportunity to influence them toward godliness. We appreciate the work of the organized Sunday School class but do not think it can take the place of the Epworth League.

We also appreciate the effort of the League in the matter of self support.

The chief responsibility for the League's success lies with the pastors and we urge them to give more attention.

ANDREW WARNER.

State of the Church.

With our hearts full of gratitude we acknowledge God's providential leading, not only as He has guided our church in the past but in the bright and hopeful prospects for her future.

As all phases of moral, social and spiritual life are going through a transition, we see hopeful changes taking place in the church. We are greatly encouraged by the new Sunday School movement which emphasizes the bringing up of the child in the kingdom, by our laymen's missionary movement which has for its aim the carrying of the gospel to every creature in this generation, and by the advance in Christian education which is fitting our young people to become forces for spreading righteousness in all departments of the world's activities.

We need to guard against the materialism which has the tendency to sap from the church its spirituality, against increased Sabbath desecration which is breaking down one of God's holy institutions, and against other evils which tend to injure the church in lowering her early standard of Scripture holiness.

We recommend to all ministers and laymen a closer observance of the disciplinary rules and laws governing us as a body.

R. O. HADLEY.

Bible Cause.

The Bible is the foundation of our civilization.

We are thankful that fourteen and one-half million copies were published last year in more than 400 languages.

We urge pastors and laymen to use every effort to extend the family altar in the homes of the people.

The highest type of family religion must ever be founded upon the Book of books.

We promise the American Bible Society our sympathies, earnest prayers and hearty support in the circulation of the precious word.

The Society, Fourth and Market, San Francisco, furnishes Bibles at cost to needy Sunday Schools and frontier people. We appreciate the presence at our Conference of A. F. Brauns, representative of the society.

J. C. KIRKMAN.

Auditing Committee.

We have audited the accounts of the secretary, the treasurer and the district superintendents and have found them both correct and satisfactory.

J. O. JOHNSON.

Episcopal Fund.

Your committee has examined the reports and find that the amount raised this year is $1,371. This shows a gain over last year of $181.

R. A. GAILEY.

Woman's Home Missionary Society.

A unique organization, in its power for good, in its methods, in its efficiency. We cannot overestimate the value of this society to our church or to the Master's kingdom. A woman's work well directed. The advance made, the work accomplished, we greatly appreciate. Let us show such appreciation by extending to their representatives cordial invitation to our churches, and we recommend the organization of auxiliaries wherever possible.

M. R. BROWN.

Woman's Foreign Missionary Society.

The Woman's Foreign Missionary Society is a mighty agency in the evangelization of the heathen world. Missionary interest and enthusiasm is stimulated on any charge where this society exists.

We therefore recommend that a local society be organized on every charge within the bounds of the Columbia River Conference, if practicable, and that the mite box secretary seek to have a mite box placed in every home and also where there is no local society that they be introduced to the ladies' aid societies.

We express our appreciation of the faithful labors of the Conference officers.

As pastors we pledge our most hearty cooperation with any local society and our aid in organizing new ones.

F. E. SMITH.

Prison Mission Work.

There are 944 state prisoners in Washington, 88 of whom are on parole, 295 are working on roads. The remaining 561 are confined within walls at Walla Walla. John Le Cornu has been the faithful chaplain, visiting the individual and preaching to the congregation.

A number of the prisoners have professed conversion during the year, but the chaplain has been greatly hindered in his work for the want of a chapel. We most earnestly urge upon our legislature the necessity of providing an assembly hall at the Walla Walla penitentiary at an early date.

M. R. BROWN.

Report of U. F. Hawk.

Six years ago, at the Conference held at The Dalles, Oregon, Bishop Henry Spellmeyer appointed the present incumbent to superintend the Spokane District, which was then comprised of twenty-two appointments, namely:

Coeur d'Alene, Idaho; Colfax, Elberton, Garfield, Pleasant Prairie, Post Falls; Rathdrum, Rockford and Waverly, St. John and St. Maries, Spokane—First Church, Hillyard, Jefferson Street, Union Park and Vincent; Tekoa, Farmington, Wallace and Wardner. By the change of the boundaries this became the smallest district of the four in the Conference.

REVIVALS

A series of revival meetings of marked power has been conducted in many charges during the past six years, and by the direct efforts of the pastors and superintendent at least seven new charges have been established, namely: St. John, Greenacres, Valley Chapel, Opportunity, Rathdrum, Rosalia and Genesee. Indeed, nearly every charge in the district has taken on increased proportions and added to its usefulness and influence because of the spirit of revival that has possessed the pastors.

The individual churches of Spokane have all been aggressive along this line, and the pastors have each sought to lead the people to higher ground and to save the unconverted by this medium of power.

Methodism of this city has twice united in larger and more extensive efforts, with the great evangelists, Hart and Magann, and William A. Sunday. Consequently good results came to our people and churches. Special mention should be made of the revivals of Palouse, Endicott, Harrison, Thornton and Athol. Because of the transformation in the status of the churches, not one of these places could have existed much longer, for they had become greatly reduced in church membership and had become unable to care for their pastor. But as a result of the revivals the membership was increased so that, since then, they are live wide-awake organizations.

CHURCH PROPERTY AND MATERIAL INTERESTS

There has been great activity in church and parsonage building. The Northwest has come to the time of transition. The small, temporarily-constructed buildings are being supplanted by large, substantial and artistic structures. Nearly every charge in the district has a parsonage, and where they do not have one the members assist in providing a home for the pastor. During the last three weeks reports were obtained from the various charges, and we find the total in the value of the buildings and improvements to be far beyond our expectation.

Six years ago the property value of the district was $158,350. The property value reported for this year is $388,500, which is an increase

of $230,150 in six years. Your superintendent was chairman during the erection of the new Deaconess Hospital. The church and parsonage of Rathdrum and the church at Coeur d'Alene were erected while those charges were a part of this district. Adding the cost of the hospital, $30,000, $4000 at Rathdrum, and then $10,000 at Coeur d'Alene, there is a total increase of church property in the six years amounting to $274,000.

SALARIES

"The laborer is worthy of his hire." It is gratifying to note the splendid interest manifested by our laymen by giving a better support to our ministers. In harmony with the general prosperity of our country, the pastors are being better paid. A reference to the Conference Minutes will show that the salaries have more than doubled during the last six years.

BENEVOLENCES

Statistics will show a creditable growth in benevolent collections. This year's contributions for missions amount to at least 150 per cent above that of the Spokane District during the first year of the administration.

MEMBERSHIP

While there has been a noted increase along all financial lines, it is gratifying to report a noted increase in church membership. Considering the changes of the district boundaries from time to time, there is an increase of 3217 members, lacking only 200 to double the membership in the last six years.

SUCCESS

Success is indicated by results. I entered this task with the conviction that the work of the superintenednt is not only to superintend the work already established, but bring into existence new charges, and with that end in view I have tried faithfully to labor. I find in the forming and reforming of the districts 30 charges have been given me and 16 taken away. The district now numbers 37 appointments, which shows the establishment of 23 new charges by the present superintendent.

A review of the six years brings to mind many interesting incidents and pleasant associations. Noble men and women have been my companions and colaborers. Search the world over, you could not find on the roll of one district a grander list of men than: R. A. Gaily, J. P. Barker, L. G. Wellington, W. H. Rogers, Ray W. Mason, H. C. Kohr, A. J. Anderson, J. E. Daniels, Roy O. Hadley, E. J. Snell, Thomas Hart, B. E. Koontz, W. C. Smith, C. A. Hodshire, R. B. Martin, W. B. Young, Robert Brumblay, Donald Babcock, D. M. Helmick, H. I. Rasmus, C. O. Kimball, E. M. Hill, H. A. Sheldon, Andrew Monroe, J. S. Bell, H. B. Elworthy, Wm. E. Armfield, T. H. Fertig, J. L. Hess, J. O. Johnson, H. E. Greening, J. C. Lawrence, C. A. Smith, Hazen Oakes, L. W. Putnam and N. M. Jones. These men, their wives and their

children in their homes, by kindness and love, have endeared themselves to me as probably no others ever will.

"We all partake the joys of one;
The common peace we feel;
A peace to worldly minds unknown,
A joy unspeakable.

And if our fellowship below
In Jesus be so sweet,
What height of rapture shall we know
When round His throne we meet?"

The Washington and Idaho Children's Home Societies.

In the state of Washington last year more than 2,000 neglected, homeless and dependent children made appeal to the public for sympathy and help. In the state of Idaho a like proportion also called for aid.

In every state of the Union it has been found necessary to maintain an organized agency for the protection and care of such children.

The Washington and Idaho Children's Home and Aid Societies have been doing the work for these children in our territory. While nonsectarian they are avowedly Christian, and have in the largest measure the cooperation of the evangelical churches in this child-saving work.

Their aim is to help every child in need. One of the valuable features of this work is the alliance with the National Children's Home Society, by which no child removing to another state is lost to the oversight of sklilled supervision.

We believe the work of these societies in placing such children in Christian family homes, under supervision, and in its work of investigating all cases reported of cruelty and abuse, offers the best solution of the neglected child problem.

In view of the fact that appeals are made in different communities by irresponsible, fraudulent and incompetent individuals and associations for aid in similar work, and the fact that children carelessly placed by such agencies are oft times found in need of protection, and in view of the effective work and offer of these organizations to do all the work necessary for the welfare of neglected children, we, therefore, heartily pledge our undivided support to the Washington and Idaho Children's Home Societies in their great work. N. S. HAWK.

Aggressive Evangelism.

Your Special Committee on Aggressive Evangelism recommend the creation of a permanut Conference Commission of Evangelism. After most careful consideration they recommend that no Conference evangelist or evangelists be appointed, but that there be delegated to each district the authority to carry out such arrangements for the employment of an evangelist or evangelists as it may see proper.

FRANK SPAULDING, Chairman.
ROBT. BRUMBLAY, Secretary.

Rev. Ulysses F. Hawk, D. D., Retiring District Supt. Spokane District

Freedman's Aid Society.

Your committee desires to call attention to the following facts and recommendations:

First—The Freedmen's Aid Society has under its control 24 schools, 600 teachers and 8,000 pupils. These schools are located in strategic positions of the South.

Second—Special emphasis is placed on industrial education, there being in the schools last year over 4,000 students taking systematic work in industrial training.

Third—Special mention should be made of what the colored people are doing for themselves. They gave last year $28,830 for the support of their own schools, one Conference, the South Carolina, giving $6,225. They gave to this work one dollar in every four contributed by the whole church.

Fourth—The religious life and work of these schools are very noticeable. No school year is considered complete without the annual revival, and many are brought, by this means, under the control of Jesus Christ.

Fifth—The Board asks the whole church for $250,000. The apportionment for the Columbia River Conference being $1,100, or one-fifth of the apportionment to Home Missions and Church Extension, and we hereby pledge ourselves to present this cause at least once during the year to our congregations, and we recommend the observance of Lincoln Sunday and urge that each sharge raise its full apportionment.

Sixth—We greatly appreciate the inspiration that has come to us through the presence and addresses of Dr. M. C. B. Mason, corresponding secretary.

W. B. YOUNG.

Laymen's Association.

ORGANIZATION OF THE COLUMBIA RIVER CONFERENCE LAYMEN'S ASSOCIATION.

Vincent M. E. Church, Spokane, Wash., Sept. 2, 1910.

Pursuant to the call of one year ago, at 3 o'clock the assembly of some thirty laymen from various sections of the field was called to order by John Sarginson of First Church, Spokane. After singing and prayer L. V. Wells of Wenatchee was unanimously chosen temporary chairman. I. C. Libby was selected as temporary secretary.

With 35 to 40 persons, including several ladies, present, at this point R. F. Hanke of St. Paul's Church was invited to address the meeting. In response he gave a brief and very interesting resume of recent movements among Methodist laymen for missions and liberal giving in general. Mr. Hanke is the efficient secretary of the Spokane City Union. The next speaker was President Zeller of the University of Puget Sound, who had been invited to be present and represent that institution. With a background of facts such as an enrollment of 470 students the past year, he painted in glowing colors the prospect of his university to become the "Harvard of the West."

John Sarginson of First Church, like Chairman Wells a member of the lay delegation of the Columbia River Conference in the last

General Conference, then took the floor in the interest of the veteran preacher, giving statistics of his treatment in the past in England and America, and making an earnest appeal for suitable generosity toward him.

It was then voted that the temporary organization be made permanent for the year just beginning and that the officers thus confirmed constitute an executive committee with power to provide for a date, place and program for the next meeting, about a year hence.

The annexed resolution was then offered by G. L. Denman of the Union Park Church (who, by the way, sat in the last legislature and is a primary candidate for another term there), and after a full, earnest, but friendly debate, was adopted; and the secretary was instructed to transmit a copy of each of the quarterly conferences of the annual conference field and to each of the district superintendents:

Whereas, the practice more or less prevalent in the Columbia River Conference of assessing to the various charges, without the formality of calling the District Stewards' meeting, 10 per cent of the pastors' salaries for the support of the district superintendent is not authorized by the Discipline or by general usage, we therefore offer the following suggestion:

Page 306 of the Discipline specifies the method by which the district superintendent's salary shall be apportioned and collected. We, as representatives of our respective churches, will meet any apportionment made to our churches in this manner.

Also, we are in favor of the election of a district treasurer who shall collect the district superintendent's salary and pay him weekly or monthly as the district stewards may see fit. We favor this in order to relieve the district superintendent of the responsibility of collecting his own salary.

It was voted to instruct the chairman to appoint a committee of three to prepare constitution and by-laws for this association to be submitted at the meeting of next year, when, with the regular quadrennial session of the Lay Electoral Conference, it is confidently expected that the Laymen's Association will secure a full attendance and become thoroughly representative and effective for the ends set before it.

The following were appointed the committee on constitution, as above provided: John H. Bowers (Vincent Church), 517 Hyde block; John Sarginson (First Church), S. 916 Hilliard street; Geo. L. Denman (Union Park Church), E. 2628 Fourth avenue—all located in Spokane for convenience of their work.

L. V. WELLS, Chairman.
I. C. LIBBY, Secretary.

Methodist Brotherhood.

We rejoice in the fact that the Methodist Brotherhood is becoming such a power in our church, that men are becoming so intensely interested in men that they are beginning to labor unitedly for their salvation. The Methodist Brotherhood, in earnest, will impress any community with the supreme importance of the church and the Christian life. There is

no need of our church being without prestige, felt as a burden, or looked upon as a weak institution in any community, if the men will unitedly assert themselves for Christ and the betterment of mankind.

We believe in the leadership of the church today as of old. It should be the center of influence in city, village and country, and it can be when the Christian men are ready to advance it to that position. It should be stronger than any political club in the support of proper measures and clean, upright men; it should outrun all fraternal organizations in the bearing of friendship and relief; it should overthrow evil by substituting good, and in the name of Christ it can.

We regret that the recommendations made by the committee last year have not been carried out, and that so few chapters of the Methodist Brotherhood are within the bounds of our Conference.

We recommend the organization of local chapters wherever feasible and that a place be given to the Methodist Brotherhood on the program of the next annual Conference. M. J. PERDUE.

Recommendations.

First. We rejoice in the work of the Board of Conference Claimants. It has persistently and carefully urged on pastors and people the duty of caring for Conference claimants with the result that there was an increase in 1910 of over $85,000 in the amounts paid by the annual Conferences to their own claimants, and the board is now distributing $19,000 to the needy Conferences and to special or necessitous cases this year.

Second. We urge the observance of a "VETERAN'S SUNDAY" at some time during the year in the interests of the claimants, and the use of the most excellent program provided by the board; and request

that on that day the pastors urge not only the duty of local support of their own Conference claimants, but also the interests of the connectional fund of the Board of Conference Claimants, which ministers to the needs of superannuates everywhere, especially in the more needy Conferences; and take up a collection equal to at least the apportionment of 1 per cent of the pastor's salary.

Third. We recommend that the treasurer of the Conference be authorized to receive the dividend from the Board of Conference Claimants and remit to the board the Conference percentages.

Fourth. We commend the program for 1910-11, as promulgated by the Board of Conference Claimants, to the favorable consideration of our Conferences and churches, and to the generosity of our laymen. The keynote sounded by the board is, "A MILLION FOR SUPERANNUATES IN 1910-11."

Such a program involves an advance along all the lines of the church's activities in behalf of the old preachers, so as to reach the following standard, in round numbers:

Support of Claimants in Annual Conferences, as provided by the Stewards	$550,000.00
Benevolent Collection for the Connectional Fund	100,000.00
Endowments—	
For the Permanent Fund of the Board of Conference Claimants; Annual Conference Funds and Preacher's Aid Societies	250,000.00
Book Concern and Chartered Fund Dividend (ordered)	173,000.00

The wisdom of this program is manifest in that it correlates all the forces and provides an alliance between the annual conferences and the connectional interests. The board offers its services to those annual conferences which are at work on their own Preachers' Aid Society funds, so that all conferences may be free to join in the next great movement for which the whole church waits, and for which the present program is a magnificent preparation, viz., A MILLION DOLLARS FOR THE PERMANENT FUND.

The Western Methodist Book Concern

Is the ready unfailing friend of both preachers and laymen. With a history of more than ninety years it has grown faster than the growth of the country, until it is the greatest distributor of religious literature in the world. It is now sending out from its presses each year more than one thousand millions of octavo pages of good reading for old and young, for busy people and those who have time to read the best. Its plan is not to publish for a favored few, lifting them above their fellows, but it works to lift the whole ocean of Methodists an inch or two each year. Get our catalogues and prove it.

REMEMBER that when you buy Sunday School Helps from any other publisher he puts the profits in HIS pocket; when you buy from us the profits go into YOUR pocket. In the last fourteen years we have paid to the Conferences, for our worthy veterans, more than **One million dollars.** Give us all your business and we can do better than that.

JENNINGS & GRAHAM, Agents

Cincinnati, Chicago, Kansas City, San Francisco

To ANY MINISTER

For months we have been telling the ministers of the United States—**Yes of the entire world**—through the columns of the various religious publications of the entire country, about the new Fox Visible Typewriter. **and of our special offer to ministers.** Replies from these advertisements have been received from every corner of the country—and from a large number of foreign countries—and hundreds upon hundreds of ministers have taken advantage of our Mr. W. R. Fox's most unusual—and exceedingly liberal—proposition, and have become the possessors of the new Fox Visible Typewriters.

If there is one typewriter more than another **that a minister should not buy,** it is one of the cheap "rebuilt to sell" typewriters that our being advertised at from $15 to $50. Beware of the "Syndicates" and "Sales Co."—they do not manufacture but deal in second hand and rebuilt typewriters—**old models that the manufacturers can not sell.** There is only one typewriter that should be considered by any minister, and that is **the best**. Your work entitles you to this, and, furthermore, the best is always the cheapest in the end.

Will You Let Mr. Fox Help you buy a Typewriter?

As a minister, and a business man, we appeal to you not to purchase any typewriter, at any price nor from anyone, no matter how flattering the proposition may seem to you until you have given us an opportunity to send you for inspection and trial a new Fox Visible Typewriter. This we will do at our own expense---**will not even ask you to pay the express charges**—and you will not be under the slightest obligation to purchase our typewriter after trial **unless you wish to do so.**

After trial if you wish to purchase our typewriter—**on Mr. Fox's special proposition**—you can pay us a little down and the balance at the rate of **20 cents a day**— no payments to be made on Sundays or Holidays.

WILL YOU DO THIS? We feel that this is "YOUR CHANCE OF A LIFETIME"—it may be your ONE and ONLY chance. Will you let us help you to come to such a wise decision that there will be no after regret—no financial loss—on your part? If so, fill out the following coupon and mail today—DO IT NOW BEFORE YOU FORGET IT. Address Mr. W. R. Fox personally.

FOR TEN DAYS FREE!

DEAR SIR:

Please send me a copy of your catalog and write me your special offer to ministers on the new Visible Typewriter. It is distinctly understood that the signing of this coupon does not in any way obligate me to purchase, and that no typewriter is to be sent me unless I decide later to order one for free trial.

Do You Know

that the Bible in common use up to 1901 was revised in 1611, three hundred years ago; that it contains many words not now used and many others which have entirely changed their meaning?

Do you know that during these three hundred years the most important manuscripts containing the key to the ancient languages were discovered, which enabled the scholars of the present day to read the ancient languages and translate them better than ever before?

Do you know that the American Revision Committee spent thirty years preparing the

American Standard Bible

published in 1901; that it is translated from the earliest and best manuscripts, and that the Revisers not only had the benefit of the latest discoveries, but had for comparison and reference the recent revision made by England, Germany, France, Holland, Norway, Sweden and Denmark.

Therefore the verdict of Christian scholarship is unanimous that it is the best version of the Scriptures ever produced.
